How the Restrictive CUSO Regulation Can Affect Your Credit Union

Many credit unions are unaware of the implications that the new CUSO regulation will have on them. While these credit unions may own shares in large CUSOs, they do not have controlling interest, leading them to believe that this legislation affects only credit unions that do. Join us on November 7 to learn why this perception could not be further from the truth!

Sarah Snell Cooke, Editor-in-Chief of the *Credit Union Times* will moderate a panel discussion on NCUA's proposed rules regulating credit union service organizations (CUSOs). Panelists will be the following CUSO CEOs: Ron Daly, DigitalMailer, Inc.; Jon Jeffreys, Credit Union Student Choice and Kirk Drake, Ongoing Operations, LLC.
